Independent Announcement.

To the Voters:
Gentlemen:—Having been requested by members of both political parties to announce myself a candidate for the office of city clerk in the forthcoming municipal election, I hereby offer myself as a candidate for said office independent of party politics and entirely on my merits. I solicit the votes of the citizens on December 8th.

Respectfully,
ROBT. KELLAHIN

One touch of winter makes the whole world shiver.

If you can assist the band boys to reorganize it will be a public duty well done.

Cotton has been king for several days on the market exchanges. Long live the king.

The calm of unanimity continues. One would hardly think that the coming Tuesday is election day.

The gold strike across the mountains comes as good news. This is the only kind of strikes that New Mexico wants.

The new Dallas railroad company has the permission of Roswell to begin track laying at once. So has the Santa Fe Central.

The Hon. Wm. M. Springer, who died to-day in Washington, was for years one of the foremost men in the United States congress.

A New Well Here.

James Carper & Sons are drilling a well for James Ed Berry of Fulton, Missouri, at the corner of Richardson avenue and 10th streets. They are down 210 feet and expect to strike a gusher at a depth of 235 feet. Up to the present time they have not struck water.

Ready for Big Coursing Meet.

San Francisco, Cal., Dec. 4.—There are abundant indications that the coursing meet to open at Union park tomorrow will be the most notable affair of the kind ever pulled off on the coast. The feature of the meeting will be the competition for the John Grace challenge cup, which is the richest coursing emblem in all America.

To Unite Against Smoot.

Washington, D. C., Dec. 4.—The movement begun by the national congress of mothers to prevent if possible the seating of United States Senator Smoot of Utah, is expected to come to a head today with a mass meeting at the New Willard Hotel at which resolutions of protest will be drawn up and later submitted to President Roosevelt and the senate. The organization seeks to enlist the support of all churches, women's clubs and other bodies and individuals who believe that the seating of the Utah senator would be a menace to the home and the nation.

WORLD'S PRESS PARLIAMENT.

Will Include Newspaper Men From Every Country Where Newspapers are Published.

St. Louis, Mo., Dec. 4.—The executive committee having in charge the World's Press Parliament to be held in St. Louis next May has announced tentative plans for the gathering. The parliament will include representative newspaper men from every country where newspapers are published. The invitations have been sent to leading newspaper men throughout the world. The National Editorial Association of the United States has voted to meet in St. Louis at the same time, and among the state press association which have already decided to participate in the gathering are those of Kentucky, Utah, North Dakota, Minnesota, Mississippi, Massachusetts, California, and New York. The sessions of the parliament will be held in the morning in Festival Hall and the afternoons and evenings will be devoted to viewing the sights of the fair.

WILL REDUCE WAGES.

Ohio Coal Mine Operators Say Trade Conditions Make It Imperative.
Cleveland, O., Dec. 3.—One of the largest soft coal operators in the Massillon district is quoted today as stating that owing to present trade conditions a reduction of miners' wages must be made in termination of the present wage agreement. It is understood that a meeting of Ohio operators will be held tomorrow at which the matter will be taken up. It is said that the operators will propose a ten per cent reduction.

SWEDISH VESSEL WRECKED.

Ship Dharwar Ashore a Few Miles From Ocean City, Maryland.
Lewes, Del., Dec. 3.—The Swedish ship Dharwar from Hong Kong is ashore a few miles from Ocean City, Maryland. Five members of the crew came ashore in a boat. The remainder of the crew, eleven in number, and one woman and two children are still on the vessel. It is feared that the vessel will be a total wreck, as there is a heavy sea running.

Ferguson and Johnson to Meet.

San Francisco, Cal., Dec. 4.—Patrons of the roped arena are looking forward to a lively battle tonight when Jack Johnson, the colored heavyweight champion, and Sandy Ferguson, the Boston heavyweight come together for a twenty-round bout. The affair is to be pulled off under the auspices of the Colma Club. Ferguson's stock has recently taken a boom by reason of his defeat of Joe Walcott, but whether he is clever enough to stack up against Johnson is a question in the minds of the local fight followers.

Good Fights Promised.

Milwaukee, Wis., Dec. 4.—Charlie Neary, the Milwaukee boxer who has held his own with Buddy Ryan, Mowatt, Eddie SENTRY and other good men of his class, is scheduled for a try-out against Jack McClelland, of Pittsburg, tonight. The contest will be the principal event of the boxing show arranged by the Badger Athletic club. In the wind-up Jack Dougherty and Charlie Berry will meet.

Baltimore Again on Pugilistic Map.

Baltimore, Md., Dec. 4.—Tonight witnesses the resumption of the fighting game in Baltimore after a long period of idleness for the local fighters and their followers. The opening show is to be given by the Eureka Athletic club, which has arranged an attractive program of events. The star feature of the show is to be a fifteen round contest between the two Baltimore featherweights, Billy Whistler and Joe Tipman.

Deafness Cannot Be Cured.

by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever. Nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give one hundred dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.
